
EXPLANATION

OGB 3037
-20 ○ Oil and gas test well with Alabama State Oil and Gas Board well permit number and elevation (feet relative to mean sea level) of the base of the Pottsville Formation

Structure contour of the base of the Pottsville Formation (feet relative to mean sea level)

Axis of the Sequatchie anticline

Outline of area shown in Plate 4

Line of geologic cross section (Plate 2)

Scale

5 0 5 10

Miles

Geologic map modified from Geological Survey of Alabama (2006).

GEOLOGIC MAP OF THE HANCEVILLE, ALABMA, AND SURROUNDING AREA
