

OGB-1

INSTRUCTIONS

Read Carefully and Comply Fully

An application shall be filed in triplicate with the State Oil and Gas Board at the address below and approval obtained before drilling begins. Applications which do not comply with applicable rules must be set for public hearing.

This application must be accompanied by:

- (1) \$300.00 permit fee, except for permits to deepen, recomplete, convert, or amend (Payable to State Treasurer, State of Alabama).
- (2) Certified plat (triplicate) meeting the requirements of the rules of the applicable operation (onshore, offshore, CBM, etc.).
- (3) Affidavit of Ownership or Control, Form OGB-2 (triplicate); or Affidavit of Ownership or Control, Underground Injection Control, Form OGB-2C (triplicate); or Affidavit of Ownership or Control, Natural Gas Storage Operations, Form OGB-2D (triplicate), whichever is appropriate.
- (4) Bond (Single Well), Form OGB-3; Bond for an Underground Storage Facility for a Solution-mined Cavity and Storage Well (Single Well), Form OGB-3D; or Bond (Blanket), Form OGB-4, if not on file with the Board.
- (5) Organization Report, Form OGB-5, if a current report is not on file with the Board.

Any additional significant information should be listed/shown in the "Remarks" section.

Make sure that you complete the form correctly and provide all the information requested. **State Oil and Gas Board personnel will not make additions to or change any part of a notarized form.**

The permit number assigned to this well should always be used in correspondence relating to this well.
