

OGB-25

INSTRUCTIONS

Read Carefully and Comply Fully

This form shall be filed in triplicate with the State Oil and Gas Board at the address below and approval obtained before the transporter is eligible to transport waste liquids. One copy will be returned following approval.

The application must be accompanied by an Organization Report, Form OGB-5, if a current form OGB-5 is not on file with the Board.

An amended form shall be filed for any change which results in modification of transporting procedures.

The transporter code number assigned to this transporting operation should always be used in correspondence relating to this transporting operation.

Make sure that you complete the form correctly and provide all the information requested. **State Oil and Gas Board personnel will not make additions to or change any part of a notarized form.**
